**CHANGE A LIFE:
SPONSOR A CHILD**

Unlock a child's potential.

Our Vision: *To provide the best start in life possible to all children of the Los Medranos and wider San Marcos community - physically, emotionally and spiritually - from conception to school age.*

Helping children grow in God's love.

Why a child sponsorship?

A high number of the children in our community are born into poverty. Many of these children are born to young women / teenagers who are ill-equipped for their role, with little access to pre-natal health care education or resources to help improve their child's position in life and break the cycle of poverty. With a few simple steps, and your help, Threefold Ministries can encourage these families, assist them in caring for their children, improve the quality of life and minister to them spiritually. With time You can help break the cycle of poverty.

Our '**Best Start in Christ**' program strives to provide the best start possible in life to children between 0-3 years of age from underserved communities in San Marcos, Nicaragua. These children learn through a variety of activities that develop their motor, intellectual, and social skills. Also, the mothers acquire foundational knowledge and support to best raise their children

What your sponsorship provides:

A child will receive:

- regular medical and dental check-ups
- a socially stimulating environment that promotes early learning and integral skills development

The child's mother will receive:

- pre-natal care including medical attention, vitamins and child care education during her pregnancy.
- Welcome Baby Packages that provide essential items for their child upon arrival.

This day program is located in our Christian setting; programs are designed with Christian values forming the basis.
